THE RIDENOUR CLARINET

THE RIDENOUR CLARINETS ARE DESIGNED BY TOM RIDENOUR. EACH CLARINET HAS SPECIFIC TONE HOLE PLACEMENT AND BORE DESIGN TO MAXIMIZE AN EVEN AND SMOOTH SCALE. THE KEYS ARE NOW MADE OF STRONG POWER-FORGED NICKEL SILVER MATERIAL AND NICKEL SILVER PLATED. THESE INSTRUMENTS (EXCEPT FOR TR12 AND BC147R) ARE MADE OF A NON-WOOD MATERIAL DEVELOPED BY DUPONT THAT GIVES IT A WARM WOOD LIKE TONE. EACH INSTRUMENT IS HAND ADJUSTED TO MAXIMIZE OPTIMUM PERFORMANCE.
